OU-11 RFI/RI Rescoping Proposal

Bol
Robert Benedetti, Associate General Manager
Environmental Restoration Management
EG&G Rocky Flats, Inc.

On December 9, 1992, you sent a letter (attached) to DOE/RFO requesting concurrence in an effort to rescope the Operable Unit No. 11 West Spray Field RCRA Facilities Investigation/Remedial Investigation (RFI/RI). The RFO OU-11 project manager has verbally encouraged the EG&G OU-11 project manager to go forward with this proposal. In fact, EG&G was positively recognized for this proposal in a past CPAF review. However, DOE/RFO had never responded in writing.

By this memorandum, DOE/RFO formally concurs with your rescoping proposal and you are encouraged to proceed as rapidly as possible. DOE/RFO takes responsibility for any delay that may have occurred between December 9, 1992, and now as a result of not writing this memorandum sooner. Proceed through the Change Control Process.

If you have any questions, please call Robert H. Birk of my staff at 966-5921.
